

Saturday September 17, 2011 at 9:00am

**Tarleton State Rec Center
Rome St. Stephenville, Texas 76401**

The Run For Recovery 5K is a benefit run/walk to heighten community awareness about those recovering from alcohol and drug addiction and to raise funds to support the local STAR Council. The STAR Council (Solution Towards Addiction Recovery) has been quietly providing needed services to those families suffering from substance abuse challenges. STAR Council is a 501c3 charitable organization, primarily funded by contracts from Department of State Health Services (DSHS) and matching funds from United Ways of the supported counties. Run or walk this scenic 3 mile loop around Tarleton State University; see the growth and progress of this beautiful campus. September is National Alcohol and Drug Addiction Recovery Month. Recovery Month celebrates the positive impact of treatment for addiction in communities throughout the nation. September is set aside to recognize the strides made in treatment and to educate the public that addiction is a treatable public health problem that affects us all. This vital observance lets people know that addiction can be managed effectively when the entire community supports those who suffer from this treatable disease.
